In re Application of :
PFANNSCHMIDT, Bernd :
Application No.: 10/595,250 : DECISION ON
PCT No.: PCT/EP04/10901 :
Int. Filing Date: 29 September 2004 : PETITION
Priority Date: 30 September 2003 :
Attorney Docket No.: PFANNSCHMIDT-4 : UNDER 37 CFR 1.182
For: DIRECT ELECTRICAL DRIVE :

This decision is in response to applicants' "Petition Under 37 CFR §1.81," filed with the United States Patent and Trademark Office on 12 May 2006. It has been treated as a petition under 37 CFR 1.182. The petition fee will be charged to deposit account no. 06-0502, as authorized.

BACKGROUND

On 30 March 2006, applicants filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The papers listed international application no. PCT/EP04/10901, but the data entered indicated international application no. PCT/EP01/10901

On 12 May 2006 and 07 June 2006, applicants submitted a petition under 37 CFR 1.182 to correct the national stage information in the above application to indicate it is a 371 filing of PCT/EP04/10901.

DISCUSSION

Applicants have explained that the paperwork was intended as a national stage entry of PCT/EP04/10901. The indications will be corrected in the file and the file will be processed as a national stage entry of PCT/EP04/10901.

CONCLUSION

For the reasons listed above, the Petition Under 37 CFR 1.182 is **GRANTED**.

This application is being forwarded to the National Stage Processing Division of the Office of the PCT Operations for continued processing, including mailing of a Notification of

Missing Requirements indicating that an oath or declaration and the surcharge for late filing of search fee, examination fee or oath or declaration are required.
